After School Clubs – Year 5 and Year 6

Permission to walk home alone

Dear Parents/Carers

Now that it is lighter in the evenings I am happy for the Year 5 and Year 6 children, who have written permission to walk home alone, to do so once after school clubs have finished.

This is for all of our after school learning clubs and the sports clubs.

Please can you complete the permission form below to give authorisation for us to release your child and let your child walk home alone after a club has finished. You must have parental responsibility to give permission for your child to walk home alone.

Please note that this permission slip will only be for the duration of the time that it is still light once after school clubs finish. Once the evenings get darker a new letter will be issued to inform parents that the children need to be collected. Also note that unless we have an updated permission form we will not let children walk home alone.

Thank you for your continued support with our after school club attendance.

Kind Regards

Hayley Sutton
