

This week in writing we are looking at poetry. Miss Philip and Mrs Cuthbert thought it would be fun and interesting to write a simple poem all about you to give to your new teacher in Year 3 so that they can learn all about you.

Watch this video lesson with Simon Mole and join in with his idea collecting:

Use your ideas and sentences to create a poem all about your voice. - We are expecting you to write at least 15 sentences about you or your voice. WE are really looking forward to reading your poems tomorrow. Ask your adults to take a photo and send it to us on Dojo or to add it to your portfolio on Dojo.
