Good Morning Year 6

Work through the slides below and write your answers on a piece of paper or a notebook if you have one.

Once you have completed this work, please take some time to read, this can be a book or an article online. Newsround has a plenty of interesting stories.

Later today, make sure you spend at least 20 minutes of exercise. Star jumps, running on the spot and stretches are good exercises you can do indoor.

If you have any questions or need help, please message through dojo or email at year6@lieghtonprimary.net and one of the year 6 adults will reply to you.
