WELCOME TO WEEK 08 OF THE PARENTS NEWSLETTER

We have had a lovely week this week (apart from the weather). The children have been working hard and been learning about Remembrance Day and what the colours of the traditional poppy represent:

Red petals are for the blood of those who gave their lives;
Black is for those mourning loved ones who did not return home;
Green is for hope for the future.

The green leaf is worn at 11 o'clock, to demonstrate the end of the war on the eleventh hour of the eleventh day of the eleventh month and is worn on the left side over your heart.

Breakfast and Lighthouse Crew

Please be reminded that if you wish for your child to attend the Breakfast or Lighthouse Crew WAC clubs you need to **book and pay on ParentPay** to ensure a place.

Attendance & Lates

We are seeing an increase in the number of children who are arriving late. This means the children are missing out on the start of the day and can often remain unsettled. If you feel you would benefit from support in getting your child to school on time or with attendance concerns please contact the school office who will direct you to the relevant member of the team.

Children coming to school without an adult

Young Carers

We are trying to gain an understanding of which children in our school may be Young Carers.

The definition of a Young Carer is:

- A young carer is someone 18 years old or under who provides care, assistance or support to another family member who is disabled, physically or mentally ill or has a substance misuse problem.

The responsibility of a young carer is wide and varied. It can include but is not limited to:

- Practical tasks, such as cooking, housework and shopping.
- Physical care, like helping someone out of bed.
- Emotional support, including talking to someone who is distressed.
- Personal care, such as helping someone dress.
- Managing the family budget and collecting prescriptions.
- Helping to give medicine.
- Helping someone communicate.
- Looking after brothers and sisters/helping look after brothers and sisters.

If you feel that your child may be a Young Carer, please contact your child's class teacher via Dojo or email Julie Aubert at jaubert@leightonprimary.net

If we are aware of children who are Young Carers we can ensure the correct support in school is accessible and available to the children.

Safeguarding

Please remember to sign up to the National Online Safety page to be able to find more factsheets like these to help keep your children safe online. If you download the National Online Safety app on your mobile phones or ipads/tablets then create an account adding Leighton Primary School in the relevant section.

A free online safety guide looking at Microtransactions.

Microtransactions figure in the business model of many game and app developers, allowing them to bring in ongoing revenue as users continue to pay for extra features and content; even software that's initially free to download can be monetised in this way. It's a system which has featured in many of younger gamers' perennial favourite franchises, from Fortnite to FIFA.

As well as encouraging regular spending, however, microtransactions – especially the increasingly common use of loot boxes – have also been scrutinised for what many argue is a resemblance to gambling, with the potential to foster addictive behaviours. Our #WakeUpWednesday guide tells parents and carers what they need to know about microtransactions.
