WELCOME TO WEEK 11 OF THE PARENTS NEWSLETTER

December is here bringing with it some very cold weather. We still have many children coming to school with only a hoodie. Please send the children with a warm waterproof coat, hats and gloves as it can get very cold out on the playground. Our Christmas trees start going up around school on Friday and we have the outdoor tree delivered on Monday. The tree outside school brings a little bit of festive light on those dark chilly nights. Children have been looking forward to today, as today marks the start of Christmas! Our Elf makes their annual comeback bringing a little bit of mischief and fun.

We will be kicking off our countdown to Christmas on the 7th December with Christmas Jumper Day! We are asking for a small donation of £1 in cash to wear a festive jumper, t-shirt or some festive socks, whatever you may have. We would love everyone to wear something Christmassy for Christmas Jumper Day.

Flu Vaccinations

If your child has not had their flu vaccination, Vaccination UK will be attending on **12th December** for children who have not yet had it. If you filled out a consent form earlier this year when Vaccination UK attended in September, please **DO NOT** fill the form in again. Only those who have not given consent will need to click on the link below. More information is provided further down in the newsletter. **The link will close at midnight on Sunday 10th December.**

School Photos

Tempest had an issue sending out the sibling photos with the individual photos and were therefore sent to the school. Children will have their sibling photo to bring home with them at the end of the school day. Apologies for the inconvenience.

LOOKING AHEAD

5th Dec - Yr 6 Trip Duxford IWM

7th Dec - Yr 6 Science Workshop

7th Dec - Christmas Jumper Day

7th Dec - Pantomime 'Sleeping Beauty'

12th Dec - Yr4 Roman Day

12th Dec - Flu vaccination for those who have missed it previously

To avoid children being disappointed and missing out on events, please bear in mind that payments after the set deadlines on ParentPay will NOT be accepted.

ATTENDANCE

Going to school regularly is important for your child's future.

School starts: 8.45am

School ends: 3.15pm

All pupils are required to be in school **everyday by 8:45am** ready to learn.

Parents are legally responsible for making sure that children go to school.

Updating Contact Details

If you wish to add a contact for your child, you can add this yourself through the **Arbor Parent Portal App**.

Alternatively you can email officeadmin@leightonprimary.net with the child's name, year and class and the details of the contact collecting them including full name, age and contact number. Without these details, your child will not be released. In emergencies please call the office on 01733 232949.

Please note office hours are between 8.30- 15.30

Did you know...

95% attendance means that your child has missed 9 days, nearly 2 weeks of their schooling.

There are 190 school days in the year, leaving 175 other days outside of Term time for family holidays and events

85% attendance means they have missed nearly 6 weeks- that is close to a half term of education missed!

90% attendance means they have missed 18 days- nearly 4 weeks.

Sleeping Beauty

On 7th December, Outside the Box Productions are coming to the school to perform this year's pantomime 'Sleeping Beauty'. We are really excited to watch the performance and hope the children enjoy it too!

If your child is in receipt of Free School Meals your child will likely be entitled to a place at one of the HAF clubs held across the city. Premier sports will be holding a HAF club at Leighton Primary School during the Christmas Break.

If you would like to book a place/places at the Leighton HAF for you child/children please follow the link below. Spaces are limited so please book as soon as possible.

Year 4 Parent Cafe Multiplication Mayhem

We had a huge turn out from parents, which was great to see. We spoke about the Yr 4 MTC in June and the importance of times table practice using TT rockstars. We spoke about our daily practice using flash cards and tests and also set the task for parents to answer 90 questions in 5 minutes. We played games including a scavenger hunt and snakes and ladders and sent parents home with ideas to keep the learning fun by playing songs and online games.

Thank you so much for coming. The children had so much fun having you here.

Flu immunisation for pupils in school years Reception - Year 11

DEAR PARENT/CARER,

The flu vaccine is being offered at your child's school again this autumn/winter.

To give consent for your child to have the flu vaccine, please click here:

<https://eastanglia.schoolvaccination.uk/flu/2023/cambridgeshire>

Even if you do not wish for your child to have the vaccine, please complete the online form so that we can record your wishes.

THE NASAL FLU VACCINE

- ✓ Protects your child from the flu
- ✓ Protects your family and friends from the flu (especially those who are elderly, young babies, or those who have serious health conditions)
- ✓ Is painless, quick and effective
- ✓ Is free
- ✓ The nasal flu vaccine is very effective at reducing the spread of flu

THE IM FLU VACCINE

We also offer the flu vaccine as an injection, which is **gelatine-free**. Please see our Frequently Asked Questions for more information.

You only need to complete one consent form for each child. If you later change your mind, please call your local team. If your child has this immunisation elsewhere after you have submitted the consent form, you **MUST** inform Vaccination UK rather than the school.

We understand that you may have questions about the vaccine. For more information, please go to our website, where you can find a list of FAQs, as well as details of our community catch up clinics. We also have some FAQs enclosed below.

You can also find informational videos on our YouTube channel, including subtitled versions for other languages.

WORKING ON BEHALF OF

USEFUL INFO

✓ We endeavour to come to your child's school twice. If they are absent or unable to be vaccinated at school, you will need to attend one of our community clinics for the vaccine. Details of these can be found on our website or you can contact the team above.

✗ **PLEASE NOTE** the flu vaccine will NOT be available to otherwise healthy children after December 15th at all, and so we urge you to return the consent form as soon as possible in case we are not able to visit your child's schools for a second visit this year.

✓ Your consent will remain in place for the entire flu season. If your child misses a first visit, you do not need to complete a second form.

ADDITIONAL INFORMATION

"The consent form needs to be signed by a person with parental responsibility which includes:

- Mother: automatic
- Father: if married to the mother either when baby is born or marries subsequently
- Unmarried father: if name appears on birth certificate (since 1/12/03) or legally acquired
- Others: if parental responsibility is legally acquired
- Parental Responsibility Agreement: signed, properly witnessed and sent for registration to Principle Registry or the Family Division (High Court)
- Residence Order: granted by the Court

Please note that young people under the age of 16 can give or refuse consent if considered competent to do so by nursing staff.

FREQUENTLY ASKED QUESTIONS

Are there any side effects of the vaccine?

Possible side effects are: decreased appetite, headache, a runny or blocked nose, and sometimes a raised temperature. These are common, but they pass quickly and can be treated with paracetamol or ibuprofen if you feel your child needs it.

Are there any children who shouldn't have the nasal vaccine?

You should let us know if your child has any of the following:

- A very severe allergy to eggs, egg proteins, gentamicin or gelatine - It is important for us to know if your child has been admitted to hospital with a condition called anaphylaxis, triggered by these things.
- Are currently wheezy or have been wheezy in the past 72 hours with asthma. There is an alternative flu vaccine that we can talk to you about to ensure that your child is protected as soon as possible.
- Have a condition that severely weakens their immune system.

Also, children who have been vaccinated should avoid close contact with people with very severely weakened immune systems for around two weeks following vaccination (By severely weakened, we generally mean people who are isolating, such as those who have received some types of chemotherapy or people who have had a bone marrow transplant, for example). This is because there's an extremely remote chance that the vaccine virus may be passed to them.

Contact with other healthy children or adults does not need to be limited after having the vaccine.

We do not eat pork products.

Can my child have a different flu vaccine?

Yes. There is a flu vaccine available, in the form of an injection.

The nasal flu vaccine is the best vaccine for children and young people under 18 years of age as it is more effective at stopping the spread of flu and it is painless, but it does have a highly processed form of gelatine (porcine gelatine), which is used in a range of many essential medicines. The gelatine helps to keep the vaccine viruses stable so that the vaccine provides the best protection against flu.

If your faith or beliefs mean you would prefer a vaccine that has no pork (porcine gelatine) in it, please complete the consent for the flu injection only. You do not need to complete a form for both.

A free online safety guide looking at The Online Safety Act

After a lengthy gestation period, the UK Government's wide-ranging changes to the legislation around digital safeguarding have become enshrined in law as the Online Safety Act. The first of its kind in Britain, the act aims to improve protection for children online and clamp down on illegal material. Regulated by Ofcom, it will primarily impact social media platforms and companies which host user-generated content.

The new legislation, however, also carries implications for schools and their staff. Although further developments are expected, our #WakeUpWednesday guide summarises the main points of the act that schools need to be aware of so far – outlining some specific areas that the new laws address and what effect, in practical terms, this will have on education providers.
