

17th September 2020

Dear Parent / Carer

NPA's Virtual Open Evening – Wednesday 7th October 2020

It is my pleasure to enclose a copy of our new Prospectus for you to browse through and enjoy as you make the important decision on where to send your child next year.

Within our Prospectus we have focussed on the key matters that we feel will directly affect you as parents, as well as providing useful information that will help your son or daughter on their journey into secondary education. The intention is for our Prospectus to provide you with a helpful and informative insight into life at Nene Park Academy (NPA) so that you seriously consider us as the best place to educate your child for the next 7 years.

Our House structure allows us to support and guide every student individually and our purpose-built Academy buildings provide the perfect environment to achieve this. Our 'House families', along with our continued and assured commitment to our philosophy that "Every Child is Known and Valued", ensures that we have a school that we are very proud of, and one that I am very sure you will be too.

All of our students are able to participate in a wide-range of extra-curricular activities (known as Session 6) and we have a team of dedicated and experienced staff who work tirelessly to ensure that all of our students, from Year 7 upwards, are given the best possible education, which is then reinforced outside of the classroom through extending the boundaries of learning via NPA's PLEDGES Programme.

Once you have taken time to read though our Prospectus we hope that you will be able to join us at our **Virtual Open Evening** which is taking place on **Wednesday 7th October 2020** and we would like to extend to you the warmest of invitations. The opening evening events for all schools in Peterborough will this year be virtual. We have devised a schedule where you can see the Principal's address and then see short presentations from each subject area. Because each is a separate link you can stay in some areas longer than others. There is a link on our website where you can register to receive the schedule in advance or click [here](#) (if this is a digital version).

Presentations will begin at 6.00pm and follow strictly to the published schedule.

Should you be unable to join these live events we will host recordings of the sessions and links can be found through our web site following Academy Info & Parents Information.

We very much look forward to welcoming you to Nene Park Academy on Wednesday 7th October 2020.

Yours faithfully

Mr Robin Grover
Principal
