

Positive help if you've tested positive (or are a close contact of someone who has)

Need to self-isolate? We can help you! If you've been told to self-isolate, you're not alone.

Help is available to everyone across Peterborough who has been asked to self-isolate - to break the chain of infection and stop it spreading to our most vulnerable people.

This includes financial help, emotional help or practical support to do day-to-day things.

What **support** can you receive?

The Government's Test and Trace Support Payment Scheme is run by Peterborough City Council and entitles people who meet certain criteria to **a one-off payment of £500 if they lose income because they can't work**. This payment can be made available on multiple occasions if you are a close contact of people who test positive a second or even third time

If you aren't eligible for the government support, don't worry - there's a local discretionary fund which can **give you financial support so you can pay your essential bills**

There is also a network of support hubs run by the district and city councils which can **support you with food shopping, collecting medicine, dog walking, befriending services and in many other ways**

Please get in touch if there are barriers preventing you from self-isolating, as we can help you to remove them.

There really is no reason not to self-isolate.

Details of all the support available can be found at www.peterborough.gov.uk and www.cambridgeshire.gov.uk

You can also contact your local support hub on **01733 747474** or visit www.peterborough.gov.uk which is updated regularly
